ITEM 3. Source and Amount of Funds or Other Consideration.

The Reporting Person acquired the securities reported herein pursuant to a transaction in June 2022 which received shareholder approval by the Issuer on July 13, 2022.

On June 9, 2022, the Issuer entered into a Stock Purchase Agreement (the “Chairman’s SPA”) with the Reporting Person, whereby Mr. Oudom agreed to purchase 12,500,000 shares of Common Stock for \$5 million, or \$0.40 per share (the “Chairman’s Shares”), subject to the approval of the stockholders of the Issuer. The purchase price per share reflects a 9% discount on the five-day average closing price of the Common Stock on NASDAQ before signing the Chairman’s SPA (the closing price of the Common Stock on Nasdaq on such date was \$0.52). On June 9, 2022, Mr. Oudom provided the Issuer with \$5 million as interim financing in consideration for the issuance of a \$5 million subordinated promissory note (the “Chairman’s Note”), bearing no interest, which would have become due and payable immediately if the sale of the Chairman’s Shares was not approved by the Issuer’s stockholders. The Issuer received stockholder approval of the sale at the Issuer’s annual meeting of stockholders on July 13, 2022 and therefore all obligations under the Chairman’s Note have been performed and discharged in full without any payment of interest.

ITEM 4. Purpose of Transaction.

Based on the number of shares of Common Stock outstanding, the Chairman's Shares currently represent approximately 44% of the Common Stock outstanding equity. Accordingly, the Reporting Person has the ability to exercise a significant influence over the Issuer's business and affairs and generally has the power to determine all matters submitted to a vote of the Issuer's stockholders where all shares vote together as a single class, including the election of directors and approval of significant corporate transactions. Mr. Oudom may make decisions regarding the Issuer and its business that are opposed to other stockholders' interests or with which other stockholders' may disagree. Mr. Oudom's voting power could have the effect of deterring or preventing a change in control of the Issuer that might otherwise be beneficial to other stockholders of the Issuer.

The Reporting Person intends to evaluate his holdings in the Issuer on a continual basis. In the future, he may acquire additional shares of Common Stock or other securities of the Issuer. In addition, he may dispose of any or all securities of the Issuer in any manner permitted by applicable securities laws, including, without limitation, pursuant to Rule 10b5-1 trading plans. Such decisions will be based on a number of factors, including, without limitation, market conditions, the price at which such shares can be purchased or sold, and the Reporting Person's personal finances. Also, as a continuing director of the Issuer (and Chairman of the Board), the Reporting Person may receive future equity awards from the Issuer in accordance with the Issuer's director compensation program as in effect from time to time.

As a director and Chairman of the Issuer (in addition to President), the Reporting Person is involved in the oversight of management of the Issuer and setting policy for the Issuer, and he participates with the Board of Directors in the consideration of, and taking action on, significant corporate events involving the Issuer. As a result, from time to time he may consider proposals that relate to or would result in the matters listed in Items 4(a)-(j) of Schedule 13D.

The Reporting Person reserves the right to determine in the future whether to change the purpose or purposes described above or whether to adopt plans or proposals of the type referenced above.

ITEM 5. INTEREST IN SECURITIES OF THE ISSUER

(a) As of July 20, 2022, Mr. Oudom may be deemed to have beneficial ownership of the aggregate 12,500,000 shares of the Issuer's Common Stock, or approximately 44.09% of the Issuer's total shares of Common Stock outstanding. The foregoing percentage is calculated based on 28,350,601 shares of Common Stock issued and outstanding.

(b) Mr. Oudom has the sole power to vote and to dispose of 12,500,000 shares of Common Stock.

(c) During the past 60 days, the Reporting Person has effected the acquisition of 12,500,000 shares of Common Stock, issued to the Reporting Person on July 19, 2022, as explained in this Statement.

(d) Other than Mr. Oudom, no other person is known to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the Issuer's shares of Common Stock covered by this Schedule 13D.

(e) Not applicable.

ITEM 6. CONTRACTS, ARRANGEMENTS UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER.

On June 9, 2022, the Issuer entered into the Chairman's SPA with the Reporting Person, whereby Mr. Oudom agreed to purchase the 12,500,000 Chairman's Shares, subject to the approval of the stockholders of the Issuer. The purchase price per share reflects a 9% discount on the five-day average closing price of the Common Stock on NASDAQ before signing the Chairman's SPA (the closing price of the Common Stock on Nasdaq on such date was \$0.52). On June 9, 2022, Mr. Oudom provided the Issuer with \$5 million as interim financing in consideration for the issuance of a \$5 million Chairman's Note, bearing no interest, which would have become due and payable immediately if the sale of the Chairman's Shares was not approved by the Issuer's stockholders. The Issuer received stockholder approval of the sale at the Issuer's annual meeting of stockholders on July 13, 2022 and therefore all obligations under the Chairman's Note have been performed and discharged in full without any payment of interest.

The foregoing description of the Chairman's SPA and the Chairman's Note do not purport to be complete and are qualified in their entirety by reference to the Chairman's SPA and the Chairman's Note which are filed as Exhibits 4.1 and 4.2 hereto.

On July 5, 2022, the Issuer entered into a stock purchase agreement (the "Phenix SPA") to acquire Phenix Bio Inc. ("Phenix"), a California based corporation that will distribute healthcare products, from the Reporting Person. Pursuant to the Phenix SPA, the Issuer will purchase all the issued and outstanding equity interests in Phenix from Mr. Oudom in consideration of \$1,800,000. At the closing, the Issuer will pay cash in the amount of \$180,000 as partial consideration for the purchase of Phenix. The balance of the purchase price in the amount of \$1,620,000 will be paid by the Issuer in the form of 2,700,000 shares of Common Stock (the "Deferred Payment Shares"), the value of which the parties agree to be \$1,620,000, or \$0.60 per share, as a deferred payment, fifteen (15) days after the issuance of the Deferred Payment Shares has been approved by the stockholders of the Issuer. If stockholders' approval has not been received by December 31, 2022, the Issuer will pay the deferred payment in cash to seller by January 15, 2023, or such earlier or later date as the parties may agree. The per share price of the Deferred Payment Shares reflects a 8% discount to the five-day average closing price of the Common Stock on NASDAQ before the signing of the Phenix SPA (the closing price of the Common Stock on Nasdaq on July 5, 2022 was \$ 0.689).

The foregoing description of the SPA does not purport to be complete and is qualified in its entirety by reference to the Phenix SPA, which is filed as Exhibit 4.3 hereto.
